*Saleh Hamadeh*

Video 1.1

*The Course Overview*

# Road Map of the Course

# Prerequisites

- JavaScript

# RESTful Web API Design with Node.js

---

Saleh Hamadeh

Section 1

*REST Fundamentals*

In this Section, we are going to take a look at...

- General definition of an API
- Communication via HTTP
- Resources in REST
- Properties of RESTful APIs
- Setting up the development environment
